

Billy Bear is a very old bear.

There were no cars or aeroplanes when Billy was young! He travelled to other countries in ships like this one...

BILLY BEAR'S TRAVELS

He sailed from:

To New York in North America

Liverpool In England

Can you find New York on a map?

It was a long journey for Billy

Have you ever been on a long Journey? Can you write about it?

Four horizontal lines for writing a response to the question above.
